

City of Shannon Hills, Arkansas
Special City Council Meeting
Apr 26, 2005

The Mayor called the meeting to order at 7:00pm
The Mayor led the pledge of Allegiance.

Roll Call: Present were Mayor Larance Davis, Aldermen Robin Baker, Mike Kemp, James Smith, Dave Holsomback and Diane Everett. Alderman Bobby Riley and Recorder-Treasurer Curt Wilson were absent.

Item 1: Water Tower Antenna Structure:

A motion was made by Alderman Kemp to authorize the installation of an Antenna Corral on the new water tower as an integral part of the tower construction. A second was provided by Alderman Baker. After a brief discussion the motion was approved by voice vote with no opposition.

Item 2: Lettering & Logo for Water tower:

Alderman Kemp presented six (6) variations of lettering and placement of the selected logo and lettering for the water tower. The samples were numbered 1 thru 6. After some discussion a motion was made by Alderman Kemp that the logo and on the tower be as depicted in Diagram #3. Diagram #3 showed the tower with the City name "Shannon Hills" and a Shamrock Logo. The motion received a second from Alderman Everett. The motion was approved by voice vote with no opposition.

A motion was made by Alderman Holsomback that the logo and text appear in three locations on the tank so that they will be visible from all angles. The Motion received a second from Alderman Everett. After very brief discussion, the motion was approved by voice vote with no opposition.

The idea of duplicating the logo and text on the top of the tower was discussed. However, but it was agreed that, because of the dome shape of the top, the text would be partially visible from the ground and detract from the appearance, it would be better to only apply the logo to the top of the tank. A motion was made by Alderman Baker that only the logo be placed on top of the tower with the logo to be located inside the antenna corral. A second was provided by Alderman Kemp. The motion was approved by voice vote with no opposition.

As a result of some follow-up discussion it was agreed that there might be need to reconsider the size or the logo to be painted on the top of the tower. There seemed to be consensus that a logo larger than the perimeter of the antenna corral might be desirable. Alderman Baker offered a motion that the Logo be something less than two-thirds of the surface of the top of the tank and to let the artist establish the optimum size. The motion received a second from Alderman Kemp. The motion was approved by voice vote with no opposition.

A discussion followed concerning the color of the water tank and the lettering. No vote was taken but the consensus seemed to be "Tank White" for the tower and a shade of green darker than "Peppermint" but lighter than "Hunter" for the text and logos..

Comments: none

A Motion to Adjourn was made by Alderman Kemp. A second was supplied Alderman Everett. Motion was approved by voice vote with no opposition.

The Meeting Adjourned at 7:05pm.

Date: _____

Approved: _____
Larance Davis, Mayor

Attest: _____
Curt Wilson, Recorder-Treasurer
